Career Cruising Implementation Plan

The following steps will show you how easy and stress-free it is for you to implement Career Cruising at your school or district. We'll also show you how each of the stakeholders – students, parents, and educators – are involved.

- **Students**

The screenshot below is from our redesigned user interface that allows students to see a complete breakdown of their progress towards meeting the career development outcomes identified by their school or district.

- **Educators**

Implementing Career Cruising will allow you to gain access to more than 70 different reports and tracking tools that enable you to monitor the progress of any given student at any point in time.

- **Parents**

All parents have access to the Parent Portal where they can be involved in their child's career development decisions and monitor their progress every step of the way!

The screenshot shows the Career Cruising user interface for a student named Kyle. The top navigation bar includes the logo, language options (Español), Help, My Account, and a search bar. Below the navigation bar, there are tabs for Assessments, Careers, Education, Financial Aid, and Employment. The main content area is titled "Welcome to Career Cruising, Kyle!" and features a "My Progress" section with a progress bar at 88%. Below the progress bar, there are two rows: "Complete" with a green bar at 88% and "Incomplete" with a red bar at 12%. A pie chart on the right shows the 88% complete and 12% incomplete. Below the progress section, there is a quote by Steve Jobs: "Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do." - Steve Jobs. The "Focus on Careers" section is titled "Focus on careers in chemistry" and includes a list of related careers: Chemical Engineering Tech, Chemical Engineer, Chemist, Geologist, Materials / Metallurgical Engineer, Pharmacist, Pharmacologist, and Pharmacy Technician. A photo of two students in a chemistry lab is shown to the right of the list. A "Show me another" button is located below the photo. On the left side of the interface, there is a sidebar with a user profile for Kyle, a "What do you want to do?" section with links like "Explore My Interests", "Learn About Careers", "Explore Education Options", "Choose My Courses", "Find Jobs", and "Create a Resume". Below that is an "Important Documents" section with links for "Field trip permis..." and "Homework for week...". At the bottom is a "Suggested Links" section with links for "College Scorecard" and "FAFSA".

Students

<p>Grade K-2</p>		<p>Spark!</p> <ul style="list-style-type: none"> • Students meet characters in six different career paths and learn about their jobs by answering a fun quiz. • In the student’s Dpad (short for Detective Pad) they access a series of apps where they store information About Me and other career information they’ve discovered in Career Town games

	<p>Recommended Activities Estimated time: 1 hour</p>	<ul style="list-style-type: none"> • Update resume and cover letter and attach to My Files
	<p>Supplementary Activities Estimated time: 1-2 hours</p>	<ul style="list-style-type: none"> • Review the Interview Skills section of the Employment Guide and participate in mock interviews

Educators

Our Career Advisor Management System provides educators with powerful, yet easy-to-use reporting, messaging, and customization tools that provide a window into student achievement. At any point in time, educators can see the completion status of all students at a particular school or across the entire school board:

Teachers & Counselors

- View completion status of each student's My Plan account
- Record and share counseling notes with fellow counselors
- Distribute assignments and activities with set due dates
- Access resources for in-class instruction
- Track and confirm student's high school course selections and graduation tracking
- Send messages to students and parents

District Administrators

- View activity of students at all schools in the district
- Control teacher and counselor access to the administrative system
- Communicate with students district-wide or at a particular school
- Generate detailed aggregate reports to better understand student activities and interests
- Access high school course forecasting reports

Parents

With our Parent Portal, parents and guardians can stay on top of their child's progress, 24/7, anywhere they have access to a computer.

Getting Started: www.careercruising.com/parent | Click "Register Now"

The screenshot shows the Career Cruising Parent Portal interface. At the top, there is a navigation bar with "Parent Portal" on the left and "Español" and "Logout" on the right. Below this is a dark blue header with "Parent Dashboard" in white. The main content area is divided into a left sidebar and a main panel. The sidebar contains a "Welcome Mary Smith!" message and a list of navigation links: Dashboard, My Account, Messages (0), Add a Child, and Logout. Below these is a "More Information" section with links for About Career Cruising, What is the Parent Portal?, and About the Parent Portal (PDF). The main panel features a description of the portal's purpose, a student profile for Jane Smith (Northern High School, Grade 12), and a "Portfolio Completion Status" bar showing 79% progress. There are also icons for "View Jane's Portfolio" and "Explore Career Cruising". At the bottom, the Career Cruising logo and footer links (Terms of Use, Privacy, Contact Us) are visible.

Parent Portal's exciting features allow parents to:

- View their child's goals, interests, achievements, and experiences
- Track their child's high school course selections and progress towards graduation
- View their child's post-secondary plans
- Provide feedback to their child and his or her teacher and counselor
- Receive messages from their child's teacher and counselor
- Explore Career Cruising to learn more about career and education options for themselves, in state, and across the country
