“Homework” Assignment:

- Please login to your own CAMS account and look at the student list; assign students to yourself
- Click on the “demo students” link and then login as a student in the grade level of your choice to explore the program as a student
- From your student demo account, click on “help” and go to the Classroom Activities and select at least 2. I would suggest:
 - **Activity #3 - Using Career Matchmaker**
 - **Activity #6 - Comparing Careers**
 - **Activity #7 - Career Clusters Research Project**
