

# Print Installation Instructions for Apple Macintosh Snow Leopard®

---

The following instructions detail the installation procedure for the eSCRIP-SAFE® print driver in an Apple Macintosh Snow Leopard® environment. Administrator privileges may be required to complete the installation.

## DOWNLOAD & INSTALL THE PRINT DRIVER

1. Contact SCRIP-SAFE to obtain your school's unique School-ID. This value is needed when entering the URL in step 7.
2. Select SYSTEM PREFERENCES then PRINT & FAX
3. Select + to add a printer
4. Select ADVANCED from the toolbar
  - If ADVANCED is not displayed:
    - Right click the toolbar
    - Select CUSTOMIZE TOOLBAR...
    - Drag ADVANCED to the toolbar
    - Select DONE
5. Set TYPE to INTERNET PRINTING PROTOCOL (HTTP)
6. Set DEVICE to ANOTHER DEVICE
7. Set URL to: <http://ipp.escrip-safe.com:443/printers/school-id>
8. Set NAME to ELECTRONIC TRANSCRIPTS
9. Leave LOCATION blank
10. Set PRINT USING to GENERIC POSTSCRIPT PRINTER
11. Select ADD

12. Select CONTINUE

13. Close PRINT & FAX window
