

Print Installation Instructions for Windows 8®

The following instructions detail the installation procedure for the Credentials eSCRIP-SAFE® print driver in a Windows 8 environment. Administrator privileges may be required to complete the installation.

DOWNLOAD & INSTALL THE PRINT DRIVER

1. Download and extract the eSCRIP-SAFE print driver from the following URL:
 - 64 bit Operating System:
<http://www.support.xerox.com/support/global-printer-driver/file-download/enus.html?operatingSystem=win8x64&fileLanguage=en&contentId=128189&from=downloads&viewArchived=false>

Be sure to extract ALL files. You can save the files to your desktop.

2. From your desktop, open CHARMS BAR, and select the SETTINGS charm.
3. Select CONTROL PANEL.
4. Select DEVICES AND PRINTERS and choose ADD A PRINTER from the toolbar.
5. Select 'THE PRINTER THAT I WANT ISN'T LISTED'.
6. Select A SHARED PRINTER BY NAME.
7. Set the URL to: <https://ipp.credentials-inc.com/printers/School-ID>
Career Cruising will provide you with the value of your School-ID
8. A prompt for Network Username & Password will appear. Please enter the School-ID and password that you were provided by your implementation manager, and click OK
9. Select HAVE DISK, then BROWSE to the Xerox file.
10. Click OK to install the printer. Please ignore any warnings concerning the driver not being digitally signed. Select NEXT.
11. Select "Print a Test Page", then NEXT.
12. Select CLOSE.
