

Unsure about your career direction?

Whether you are just beginning to explore the world of work, or whether you are looking to make a career change, Career Cruising has tools to help.

With Career Cruising, you can:

- Find careers that match your interests with our Career Matchmaker
- Get the inside scoop on career with in-depth profiles, multimedia interviews and an on-the-job PhotoFile
- Learn about the education and training options available to you
- Create a Portfolio to save your career exploration progress and build a professional-looking resume
- Find work search hints and tips in our Employment Guide and thousands of job postings using our Job Search Tool

Ask your librarian for more information on how to access Career Cruising at your library and at home.
