

Career Cruising in Manitoba: Training Sessions are available across the Province!

SPRING 2016

The world's most engaging and inspiring career learning program

Helping people of all ages achieve their full potential in school, career and life, ccSpringboard is the heart of our ccEngage solution. It comes complete with our interactive Living Portfolio, Matchmaker assessment tool, multimedia occupational profiles, detailed career information, and more.

Career Cruising

IN-PERSON CAREER CRUISING TRAINING SESSIONS

These hands-on, interactive sessions will be offered at various classroom or computer lab locations in Western Manitoba, Northern Manitoba and the Winnipeg area. We hope that you'll be able to join us!

IMPORTANT TO NOTE

Sessions are very likely to fill quickly. There are both capacity and technology limits for each training location. Please register early to secure your spot.

TIME: 9:00AM to 3:00PM (with lunch break from 12:00 to 1:00pm)

WHO SHOULD ATTEND?

- ❖ Teachers, Counsellors, advisors, administrative staff and designated Administrators*** for their school or school division
- ❖ Counsellors and advisors who will be reviewing and monitoring student progress toward completion
- ❖ Libraries and/ or employment centre professionals
- ❖ Individuals who have direct responsibility for working with students/ clients/ patrons and will be assisting those students/ clients/ patrons with completion of their portfolios

***If you have been designated a Career Cruising Administrator for your School, Centre, Agency, Library and/ or Government Department this means that you have been entrusted with the responsibility for the overall management of the implementation and usage of Career Cruising at your site location, including the authority to add additional administrators, administrator/Counsellors, advisors, and other staff access to the student/ client/ patron Career Cruising data and reports, manage program settings, assign end-users to various staff, map high school courses (if applicable), generate customized usage and individual/ aggregate data reports for your School, Centre, Agency, Library, etc.
