

Print Installation Instructions for Apple Macintosh Mountain Lion®

The following instructions detail the installation procedure for the Credentials eSCRIP-SAFE® print driver in an Apple Macintosh Mountain Lion® environment. Administrator privileges may be required to complete the installation.

DOWNLOAD & INSTALL THE PRINT DRIVER

1. Your Implementation Manager will provide you with your school's unique School-ID. This value is needed when entering the URL in step 8.
2. Select SYSTEM PREFERENCES then PRINT & SCAN
3. Select + to add a printer
4. Select ADD PRINTER OR SCANNER...
5. Select ADVANCED from the toolbar
 - If ADVANCED is not displayed:
 - Right click the toolbar
 - Select CUSTOMIZE TOOLBAR...
 - Drag ADVANCED to the toolbar
 - Select DONE
6. Set TYPE to INTERNET PRINTING PROTOCOL (HTTP)
7. Set DEVICE to ANOTHER DEVICE
8. Set URL to: <http://ipp.escrip-safe.com:443/printers/school-id>
9. Set NAME to ELECTRONIC TRANSCRIPTS and leave LOCATION blank
10. Set USE to GENERIC POSTSCRIPT PRINTER and select ADD
11. Select OK and close PRINT & SCAN window
