The screenshot shows the Career Cruising Parent Portal interface. At the top, there is a navigation bar with "Parent Portal" on the left and "Español" and "Logout" on the right. Below this is a dark blue header with "Parent Dashboard" in white. The main content area is divided into a left sidebar and a main panel. The sidebar contains a "Welcome Mary Smith!" section with links to Dashboard, My Account, Messages (0), Add a Child, and Logout. Below that is a "More Information" section with links to About Career Cruising, What is the Parent Portal?, and About the Parent Portal (PDF). The main panel features a description of the portal's purpose, a student profile for Jane Smith (Northern High School, Grade 12), and a "Portfolio Completion Status" bar showing 79% progress. There are also icons for "View Jane's Portfolio" and "Explore Career Cruising". At the bottom, the Career Cruising logo and footer links (Terms of Use, Privacy, Contact Us) are visible.

Parent Portal's exciting features allow parents to:

- View their child's goals, interests, achievements, and experiences
- Track their child's high school course selections and progress towards graduation
- View their child's post-secondary plans
- Provide feedback to their child and his or her teacher and counselor
- Receive messages from their child's teacher and counselor
- Explore Career Cruising to learn more about career and education options for themselves, in state, and across the country
