

**These 5 easy steps will help you make the most of Spark! for your students.**

### □ GETTING STARTED REMINDERS

1. Visit [www.careercruising.com/school](http://www.careercruising.com/school)
2. Login to Spark! administrative system (CAMS) by entering your Username, Password and Advisor Password.

#### Troubleshooting Tips:

- Have an account? Enter your email/password in the Existing User box
- Forgot your password? Click on “Forgot your password?”

### □ TRAINING SUPPORT

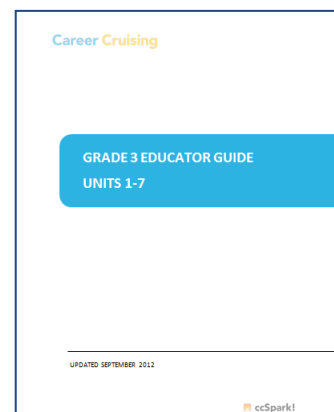

Learn how to use Spark! by visiting [careercruising.com](http://careercruising.com) and **watching online training videos. These video’s include an overview of how to use CAMS and what your students will be experiencing in the program.** Call toll-free 1-800-965-8541, extension 1, Monday -Friday for additional support options available to you.

### □ REVIEW EDUCATOR GUIDES

Download the appropriate grade level Educator Guide for an effective continuum of activities that support your students’ Spark! learning. The Grades 3-5 Reflection Activity Guide and Occupation List documents provide additional support to help you build an education plan for the year. **Download these Helpful Documents through your Spark! CAMS administrator login.**

### □ SEND A PARENT LETTER HOME

Inform parents of Spark! learning through the Parent Letter Template provided in **Helpful Documents through your Spark! CAMS administrator login.**

### □ BUILT FOR FLEXIBILITY

Spark! accommodates multiple use scenarios. Students can use the program independent of in class discussion or activity support. Educators can refer to Educator Guides in Helpful Documents to explore ways to support unit themes in class and cross curricular opportunities, or solve game episodes and complete activities as a class.
