

SUMMARY OF FEATURES

ASSESSMENTS

The Assessments section includes tools to help identify work interests, skills, and learning preferences.

- Career Matchmaker is an internationally respected interest assessment tool
- Answer 39 questions for quick results, or as many as 116 for more refined results
- The resulting career suggestions list includes 40 occupations ranked in order of suitability
- Click an occupation to receive clear feedback on why the occupation is a good match
- Tailor the list of career suggestions by recommended cluster area or level of education
- See how other occupations that don't appear on the suggestion list match up with answers
- Complete the My Skills component to see the skills necessary for the occupations that match interests
- Discover the Learning Styles Inventory

EXPLORE CAREERS

The Explore Careers section gives different ways to search for careers.

- Search for occupations by keyword, school subject, or career cluster
- Use the Career Selector to find suitable occupations using a variety of criteria

Each occupation profile includes:

- A brief summary of the occupation
- Job description
- Working conditions
- Earnings
- Education and training
- Direct links to related college and university programs, and apprenticeship programs where applicable
- Sample career path
- A list of related occupations
- Links to other sources of information
- PhotoFile series
- Two multimedia interviews with people in the occupation

EXPLORE EDUCATION

Comprehensive college, university, and vocational school information help plan education and training.

- Search for schools by name or province/territory
- Search for programs by name or program cluster
- View detailed information on colleges and universities
- Find information on apprenticeship programs across Canada
- Explore education opportunities in the United States

EMPLOYMENT

The Employment section includes information and tools to search for work.

- The Employment Guide contains advice for developing a job search plan, writing cover letters and resumes, preparing for job interviews, and more
- Use the Job Search tool to find jobs related to careers of interest

MY PLAN

The My Plan tool keeps track of all career exploration and planning activities.

- Bookmark careers, schools, and career clusters of interest
- Store multiple Career Matchmaker results and results from other assessments
- Create a personalized high school education plan and develop a post-secondary plan
- Document work and volunteer experiences, skills, abilities, extracurricular activities, career planning activities, and hobbies
- Share Plan with parents, potential employers, organizations offering scholarships, and others
- Track assignments, activities, and advisement sessions
- Maintain a diary of career and life goals
- Build a customized resume
