Career Cruising's financial aid database includes details on thousands of private scholarships, grants, awards, fellowships, and other assistance programs that you can store in My Plan. Use the Financial Aid Selector to learn about financial aid programs that can help you pay for your education.

Sign into Career Cruising using your personal My Plan username and password.

- Step 1.** Click on the **Financial Aid** link in the top menu bar. Click the **Start Selector** button under the **Financial Aid Selector** heading.
- Step 2.** Use the blue links on the left to fill in information about yourself and your intended education path. For the best results, **please answer all the questions**. Once you have made your selections, click on the blue **View Results** button to see scholarships that match your selections.
- Step 3.** Use the blue **Save To My Plan** button to save your Financial Aid Selector results to the Scholarships & Financial Aid section of your Plan. To view saved results, click on the **My Scholarships & Financial Aid** link on your My Plan homepage and click on **Financial Aid Selector Results**.
- Step 4.** Click on the name of a scholarship to learn more about the award, including eligibility, application information and deadline, and the name of the donor or sponsor. To save a specific scholarship, click on the **Save To My Plan** link at the top of the Scholarship Details page. To view saved scholarships, click on the **My Scholarships & Financial Aid** link on your My Plan homepage and then select **My Saved Scholarships**.
